- 4.3 No Member shall allow unauthorised third parties to use the System for any purpose. The personal access code allocated to a specific employee is personal to that individual and may not be used by other persons. 5 Resignation, Suspension and Termination

- 5.1 A Member may resign its participation and cease to be a Member by giving ten (10) Trading Days' prior notice in writing to Tradition (or such shorter period as may be required to comply with any applicable law or regulation). A Member may appeal a decision to suspend a Member or individual pursuant to this Rule 5.2 in accordance with the provisions set out in Chapter 5 Rule 3.3 and any such appeal will be heard in accordance with the provisions of Chapter 5 Rule 4 (and for the avoidance of doubt the suspension shall remain in place during the determination of any appeal).

- 5.4 In the event of resignation, suspension or termination of a Member's participation, the Member shall ensure that prior to the effective time and date of the resignation, suspension or termination (as the case may be), any unmatched orders and/or prices which may result in the conclusion of Financial Product transactions by such Member have been cancelled. In the event of failure on the part of the Member promptly to effect such cancellation, Tradition shall cancel the unmatched orders and/or prices. Following resignation, suspension or termination, the Member shall continue to be liable to perform Financial Product transactions concluded by it prior to the resignation, suspension or termination (as the case may be).

3 System-Related Error Trades

- 3.1 Tradition may unilaterally cancel a Financial Product transaction where such transaction constitutes a "System-Related Error Trade".
- 3.2 For the purpose of this Rule 3, a System-Related Error Trade shall occur where, due to an issue with the System, a Financial Product transaction is entered into:
- (a) in the name of a Member without the knowledge or authority of such a Member;
 - (b) by a Member's authorised trader after a notification to disable access to the System in respect of that authorised trader has been received by Tradition; or
 - (c) which is manifestly erroneous.
- 3.3 In the event that Tradition becomes aware of a System-Related Error Trade or is notified by a Member of a System-Related Error Trade (such notification from a Member to contain the information set out in Chapter 4 Rule 3.5 and be sent in accordance with the provisions of Chapter 4 Rule 3.4 and at least 30 minutes before the cut-off time for Tradition to send the System-Related Error Trade Cancellation Notice as set out in this Rule), Tradition shall issue a notice, containing the information required by Chapter 4 Rule 3.6, to all affected Members where it intends to cancel a Financial Product transaction pursuant to this Rule (a "**System-Related Error Trade Cancellation Notice**"). Tradition shall issue a System-Related Error Trade Cancellation Notice as soon as practicable following the System-Related Error Trade coming to its attention and in any event the System-Related Error Trade Cancellation Notice must be issued: (i) at least two (2) hours before the end of the operating times for the applicable clearing house (as may be defined in the Clearing House's applicable rules and procedures) in the case of a trade which is submitted to clearing; and (ii) for all other trades, no more than one (1) hour after the end of the Trading Day, in each case on the Trading Day on which the System-Related Error Trade is alleged to have occurred in order for the procedures in Chapter 4 Rules 3.7 to 3.10 to apply.
- 3.4 Any notification relating to a System-Related Error Trade must be made by a Member to Tradition:

- (a) by email to the Tradition email address at Trayport@tradition.com or, where communicated by phone, then confirmed by email promptly (and in any event no later than ten (10) minutes after the end of such phone communication); and

- 3.7 Within thirty (30) minutes after the issue of a System-Related Error Trade Cancellation Notice by Tradition, the Members party to the relevant Financial Product transaction may, jointly, agree that the Financial Product transaction does not constitute a System-Related Error Trade (a "**Good Trade**"). Good Trades shall not be cancelled but all System-Related Error Trades shall be cancelled by Tradition in accordance with this Rule 3.
- 3.8 Where a System-Related Error Trade is to be cancelled, then Tradition shall notify the counterparty(ies) of the cancellation of the transaction, the transaction shall be cancelled and a cancellation notice sent out to all Members in respect of each such cancelled transaction.

4 Suspension of Trading

- 4.1 Tradition may at any time suspend trading in whole or in respect of one or more Financial Product types, if it in its discretion, acting reasonably, considers such action necessary to maintain the integrity of the Platform or the fair and orderly trading on the Platform. Tradition shall, as soon as practicable, revoke the suspension of trading in whole or in respect of one or more Financial Product types if, in its opinion acting reasonably, the reason for such suspension has ceased to exist.
- 4.2 The decision of Tradition regarding the suspension of trading of a Financial Product type is generally effected after the close of the day's trading on the Platform and shall be made public to all Members by electronic means to the address specified in the application pack or as may have been otherwise notified by a Member to Tradition prior to the commencement of the following Trading Day.

- 4.3 If trading in specific Financial Product types is suspended in whole or in part, no new orders or prices may be entered in respect of such Financial Product type for the duration of the suspension and all orders which are not matched prior to the time of suspension shall be cancelled.

5 Market Surveillance and Service Disruptions

- 5.1 Tradition shall maintain in place systems to monitor compliance with the Rules, disorderly trading conditions and conduct that may involve Market Abuse. Tradition shall enforce compliance with these Rules and may take all measures necessary, in accordance with and subject to the provisions of these Rules, to ensure orderly trading and the smooth operation of the System.
- 5.2 In order to ensure an orderly system functionality, the commencement of trading may, at the order of Tradition, be postponed for the entire System or trading hours may be extended or shortened, provided that Tradition shall be under an obligation to restore normal trading and normal trading hours as soon as reasonably practicable.
- 5.3 In the event of technical problems that may lead to violation of laws or regulation, error trades or breaches of security, or may materially impact the performance or impact the integrity or stability of the System, Tradition may, for an individual Member or all Members, temporarily suspend access to or trading through the System, to the extent required as a result of such technical problems.
- 5.4 In the event of measures being taken which materially affect the operation of the System, the Members affected thereby shall, to the extent possible, be promptly notified via the System or - in the case of a System failure - by other suitable electronic means.
- 5.5 If participation in trading through the System is not possible for individual Members due to technical disruptions, the System shall continue to be available to other Members, but Tradition shall be obliged to rectify such technical disruptions as soon as reasonably practicable.

CHAPTER 5 – POWERS OF TRADITION AND THE APPEALS PANEL

1 Tradition - Disciplinary Action

1.1 Tradition may:

- (a) take disciplinary action against a Member in respect of any act or omission that amounts to a material breach of these Rules in accordance with the procedures made under Chapter 5 Rule 3 below; and
- (b) suspend or restrict a Member's activities on the Platform on an interim basis when a matter is under investigation, provided that such suspension or restriction shall only be put in place where there is a reasonable suspicion that the Member has committed a material breach of these Rules.

2 Tradition - Sanctions

2.1 Tradition may, in its absolute discretion, impose sanctions on a Member for a material breach of the Rules constituting either or both of the following:

- (a) temporary suspension; and
- (b) termination of participation.

3 Tradition - Procedures

3.1 To achieve its overall aim to ensure the fair and orderly trading of Financial Products on the Platform, Tradition will operate procedures designed to identify breaches of, and ensure Member compliance with, the Rules, including without limitation scrutiny of trading data and reports.

3.2 In the event of any alleged breach or suspected breach by a Member of these Rules, Tradition shall notify the Member of the commencement of an investigation along with reasonably sufficient information to allow the Member to assess the alleged breach, save where such notification is precluded by applicable law or regulation. Where sufficient information exists regarding the cause of the alleged breach or suspected breach, such notification may include a request to the Member to take such remedial action so as to ensure the alleged breach or suspected breach does not recur.

3.3 Tradition will investigate the facts of each case, seeking to understand why the alleged Rule breach occurred and will assess whether any remedial action the Member has taken (pursuant to Chapter 5 Rule 3.2) is adequate to prevent similar future occurrence.

3.4 In each case, Tradition shall determine whether impose any of the sanctions in Chapter 5 Rule 2 in relation to a breach of the Rules. In coming to such a determination, Tradition shall take into account a number of factors, including without limitation:

- (a) the nature and seriousness of the Rule breach and the duration and frequency of misconduct;
- (b) how the Rule breach came to light (e.g. whether flagged by the Member under investigation);
- (c) the actual or potential market impact of the Rule breach, and any other repercussions;

- (d) the extent to which the Rule breach was deliberate or reckless;
- (e) the compliance history of the Member under investigation, and specific history regarding the Rule breach in question and whether any warning notices have previously been issued to the Member in relation to the Rule;
- (f) consistent and fair application of the Rules (any precedents of similar Rule breaches); and
- (g) the responsiveness and conduct of the Member in relation to the matter under investigation.

3.5 Upon conclusion of its investigation, Tradition will decide what action is necessary in each instance and shall communicate such decision promptly to the Member (including if any action is to be taken). In addition (or in the alternative) to the sanctions described in Chapter 5 Rule 2, Tradition may, as an initial step, request that the Member concerned (where this has not already been done pursuant to Chapter 5 Rule 3.2) takes remedial action so as to ensure the breach does not recur. Alternatively, Tradition may decide to issue a warning notice to the Member concerned. Tradition shall ensure that any sanction imposed upon a Member is proportionate to the Rule breach in question and, where the sanction is a temporary suspension, such suspension shall cease when the Member has carried out remedial action to Tradition's reasonable satisfaction. For the avoidance of doubt and subject to any other relevant provision of these Rules (including without limitation Chapter 6), any investigation, action or sanction shall remain confidential.

3.6 During its investigation, Tradition shall permit the Member reasonable opportunity to submit petitions and/or information in relation to the alleged breach and Tradition shall take such submissions into account in reaching a conclusion as to any necessary action.

3.7 A Member shall cooperate with Tradition in the investigation of potential breaches by providing reasonable assistance to Tradition including the provision of information reasonably requested by Tradition, subject to regulatory and confidentiality restrictions.

3.8 For the avoidance of doubt, a Member shall be under no obligation to comply with a request to take remedial action made pursuant to Chapter 5 Rules 3.2 or 3.5.

3.9 A Member may appeal a decision of Tradition related to disciplinary action within ten (10) Trading Days of receiving notice of the decision, specifying the grounds upon which the Member is appealing and the reasons why it believes its membership should not be suspended/terminated. Appeals will be heard and decided by the Appeals Panel.

4 Appeals Panel – Procedures

4.1 Following a referral to the Appeals Panel pursuant to Chapter 5 Rule 3.7, the Appeals Panel shall convene and make a determination, by majority vote, on the matter within twenty (20) Trading Days of receipt of notice of appeal from the Member. Such determination shall be to uphold, quash or amend the original decision that is the subject of the appeal.

4.2 A Member shall cooperate with the Appeals Panel in the determination of the appeal by providing reasonable assistance to the Appeals Panel including the provision of information reasonably requested by the Appeals Panel, subject to regulatory and confidentiality restrictions.

- 4.3 The Appeals Panel's determination shall be final and binding upon the relevant Member and Tradition.

CHAPTER 6 - COOPERATION WITH REGULATORY AUTHORITIES

- 1 Tradition, which is the operator of the Platform, is authorised and regulated by the FCA in the UK. Tradition will report to the FCA any significant breaches of the Rules, disorderly trading conditions and conduct that may involve Market Abuse, in each case only as are required to be reported to the FCA under applicable law or regulation.
- 2 Save where it is required to do so by operation of law or by virtue of an order of a court of competent jurisdiction or to comply with its obligations to provide information to a governmental or multinational organisation or agency (including, but not limited to, the FCA) or where it is required or permitted pursuant to any other provision of these Rules, Tradition shall not disclose any information provided by, or relating to, a Member without the express authorisation of the Member in question.

4 Commodities - Trading Days and timings

4.1 Trading on the Platform for commodities shall take place on each Business Day. Tradition reserves the right to determine additional Trading Days after prior announcement thereof to the Members. For the purposes of this paragraph, "**Business Day**" means every weekday in London other than Easter Monday, Christmas Day and New Year's Day and such other public holidays as may be market convention for a particular market.

4.2 Trading on the Platform will be available between 07.00 and 17.00 (GMT/BST) or for such other periods as may be determined by Tradition and made known to all Members in accordance with Chapter 1, Rule 3.

Voice Trading Protocol

1. Tradition Voice Broker (the "Tradition Broker") role: the Tradition Broker may input, amend, cancel orders on a Member's authorised trader's behalf.
2. Tradition's operations team will have the authorisation to cancel unmatched orders on behalf of a Member.
3. The Tradition Broker cannot be responsible for delays in carrying out a request by the Member's authorised trader that results in the trade being filled electronically or a trade being missed. The Tradition Broker will use reasonable endeavors to fill the request in a responsible and timely manner.
4. A voice order from a Member's authorised trader to a Tradition Broker to hit an electronic bid or take an electronic offer (hybrid order) will not, in itself, be a guarantee to trade. The Tradition Brokers will use reasonable endeavors to get the order filled but the only guarantee to trade on an electronic price is the Member's authorised trader trading direct ("click and trade") which is itself subject to system latency and electronic communications delays.
5. It is the Member's authorised trader's (and ultimately the Member's) sole responsibility to monitor its own electronic trading flow and execution. Neither Tradition, nor the Tradition

Broker, is responsible for reporting the electronic trades that Members have executed on the Platform, except as otherwise stated in the Rules.
